

Classic WEDDING STYLE

By Jamie O'Donnell
Wedding & Event Planner

This wedding truly revolved around the couple, **Courtney Gleaton and Keith Karem**, and what the day really meant to them.

Courtney incorporated so many touches into the ceremony and decor that reflected who they are as individuals and as a couple, which made it personal and special. She even brought in the UCF Gospel Choir as a surprise and asked them to sing "My Old Kentucky Home," in honor of where Keith and his family come from.

The entire event was beautiful and thoughtful, through and through.
